

Are you a farmer, forester or agri- food business with a success story to share?

With the agricultural, forestry and food processing sectors facing major economic and environmental challenges – innovative solutions are rapidly needed. Through this contest, we aim to find and reward the best examples of partnership working from across Europe.

Enter LIAISON's EU Rural Innovation Contest • • • www.liaison2020.eu/euric

This project receives funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 773418.

LIAISON
Optimising interactive innovation

Are you part of a **recent innovative, inspiring and ground-breaking initiative?**
(farming/forestry/agri food supply chain)

Does your project include expertise from other **partners** with a **scientific or practical** background?

If the answers are **YES**, please enter LIAISON's EU Rural Innovation Contest between now and 15 March 2019.

You may be selected as one of **15 Rural Innovation Ambassadors** to receive international recognition and join an exciting network of innovators from all over Europe.
